As you know, RHS was awarded the *Revitalizing High School Libraries Initiative grant*. A substantial amount of the funds received was used to update our collection. The funds are released on a quarterly basis. We value your opinion and would like to support your classroom curriculum. If there are any books or videos you would like to have added to the media center collection, please list them by title, author, publisher, etc. If it's possible the item(s) will be purchased the next time an order is placed (priority is given to books).
