
Robinson Media Center Online Survey

Give us your feedback!

The Robinson Media Center has received a grant from the New York Life Foundation to buy new books and technology for the library. Now, New York Life would like to know how students are using the media center.

Every student who completes a survey will be entered in a lottery for a **\$50 gift card to Borders Books.**

There is a link to the survey on the Media Center computers. All responses are anonymous. See Ms. Marczynski once you complete the survey.

The lottery winner will be announced on December 15th.

"Robinson Reads!"

Dear Parents:

WELCOME TO ROBINSON HIGH SCHOOL AND TO OUR MEDIA CENTER.

This has been a very exciting time for RHS and the Media Center! Thanks to the *Revitalizing High School Libraries Initiative* grant, we had a tremendous opportunity to upgrade our collection, update our "look", and to provide much needed materials and technology.

We are currently assessing the Media Center collection for additional materials that need to be added. In addition to the books to support the curriculum, we want to

purchase more books for recreational reading. If you are not certain about the titles, you can suggest a genre, subject area, or author. A suggestion box will be placed near the circulation desk. You can also email me with

suggestions. Please give us your input!

I look forward to working with you.

Paula Marczynski, Media Specialist

Please make comments or suggestions about your impressions of the Media Center.
